ArtEast Open Studio Tour
October 14, 15 and 21, 22, 11am - 5pm

Welcome to the 11th ArtEast Open Studio Tour.

Our doors are open!

The Hudson Valley is home to artists working in every artistic medium. Our open studio tour invites you to visit 30 studios, creative work-spaces and galleries for a behind-the-scenes peek at the where, why and how of the artists' creative process.

You will see art and you can buy art. You will meet local artists who will demo work, share ideas and may even ask you to participate in art-making.

Great for all ages, ArtEast provides a glimpse behind the studio doors for an intimate and relaxed look at new work, work-in-progress and conversation about how the artist got there.

It is self-guided and a lotta art. Use our brochure and google map to get you where you want to go.

Brochure Design: Bill Prickett, Lonna Kelly, Karen Madden; cover photo: Lori Adams
